A Great Altar Worship Book for Church or Personal Use

By Jay Sanderson

I was an acolyte in the Episcopal Church when I was in junior high school. I viewed the tradition, rituals, and liturgies as necessary for worship. When I saw this item available I had to have it, even if it was 45 years later. It is a great addition to my office and my Bible study materials. I use liturgical resources for my daily office (daily devotions). I like to retain the tradition, liturgy, and ritual to my daily life habits, and not just a Sunday occurrence.

The only problem with this particular edition is that it smells very musty, like the box the book was in got wet and had laid around for a while.

Delightfully Beautiful

By Christ the King Anglican Church

Our priest was blown away at how beautiful this Missal is. He especially appreciated the many colored bookmarks which help him navigate his way through the Mass. Highly recommended for churches looking for quality Altar Books at an affordable price.
