Great adventure story by Mr. Scoville

By Judy in CA

My grandmother purchased the entire series by Mr. Scoville for my father (born in 1915). I loved reading the

entire series as a girl, 8-9 (1949-50) year old. I still have some of the books. Glad "Boy Scouts in the Wilderness" is now on Kindle.

It's great to have older books available for sale today

By D. Ashley

It's great to have older books available for sale today. My father read this book to us when we were growing up and HIS father had given it to him. We loved hearing about the boys' adventures.
