When Kara Mitchell—a curvy college student who gets tattoos to hide her insecurities about her body—becomes overwhelmed with keeping her life on track, her boyfriend, Brody, decides it is time for him to take on a new role. From now on, he'll be the firm but loving daddy who builds her up when she is down on herself, takes her over his knee for a bare-bottom spanking when she needs an attitude adjustment, and brings her to the town doctor for an exam when she is ill.

Kara soon learns that no matter how often she acts like a rebellious teen, her daddy is always ready to rein her in and then comfort her in his arms. But will the stress that comes with balancing an adult life with her teenaged headspace eventually overwhelm her, or will her daddy prove that he is capable of guiding her through anything and everything that comes her way?

Publisher's Note: Brody's Little Brat contains spankings, sexual scenes, age play, elements of medical play, and more. If such material offends you, please don't buy this book. This book is also available as part of a five-book collection entitled Little Haven.

This is a sweet story about a young lady who desperately wants a Daddy. Her parents died when she was 12 and she was raised by her older sister. She has felt the lack since. She meets Brandon at the restaurant she is a server at. There is instant attraction and they quickly evolve to a Daddy/little princess relationship. This was a wonderful sweet story and I give it 5 stars.

By Summer Graystone

Oh my gosh! Body's Little Brat was an incredible book that will tug on your heartstrings. The author did an amazing job of making Kara and Brody just like real people so us readers can connect with them. Kara is such a fun unique person with a heart of gold and Brody... where do I begin? Brody is such an amazing daddy to her and an even better boyfriend. I'll admit I cried throughout this book...a lot actually and then sobbed at the ending. I wasn't expecting it at all and it was beautiful. This entire story was beautiful and heartwarming. There were lots of yummy spankings and lots of sexy times. This was a fabulous book by an incredible author that I highly recommend. You won't regret it.
