Why do some bright students cheat? Why do some otherwise upstanding citizens chisel on their income taxes? Inspiring

By Kathryn A. Kane-LeRoy

After seeing a documentary on Jon Huntsman I wanted to read more. This is a man that came from very little in life, but by working hard and always handling his business dealing with honesty and integrity he could feel good about everything he achieved. At a time when it seems like everyone wants to take the shortcut in life, regardless of who you trample along the way, this book is a great reminder that at the end of the day you have to live with yourself. The book is a reminder that if you handle yourself with a strong moral character you will succeed both personally and professionally.
