Great text!

By Rebecca

This text was easy to read, and was surprisingly fun to read. I learned so much about techniques that I can use in my future practice.

Family Counseling

By Robbie Ray

The Book Family Therapy Techniques is an excellent tool for new counselors. The book provides numerous family situations with an array of treatment approaches that a therapist can use to assist families. The various techniques used by the therapist help them improve relationships between parents, siblings, grandparents and children.
