Limited Assistane for the Would Be Ophthalmic Technologist

By A Customer

I was required to purchase this book. In the two years I was a student in a COMT program, I rarely used it. I did however, buy The Ophthalmic Assistant by my own choice and used it extensively. I cannot give this book any credit for my passing the COMT exam on my first try.

Great book

One of my coworker has passed the COMT exam by studying this book alone. Also, the COMT course is taught from this book along with other materials.
