It will certainly not encumber you to bring hefty book If You Lived 100 Years Ago By Ann McGovern within your bag.

From the Author

Since I wrote the first If You Lived book, I've been fascinated by the little-known stuff of daily living that makes up the rich fabric of the times I write about. If You Lived 100 Days Ago exposes the vast differences in how the rich and the poor lived. Though it is set in New York City, the life I depict could be in any big city at the turn of the century.

From the Inside Flap

A different time...A different place...What if you were there? If you lived 100 years ago --what kind of clothes would you wear? --what would you do for fun? --what would your school be like? --would you have a refrigerator or television?

Life in the United States was very different in the year 1900. Find out what it was like to grow up in New York, then the largest city in the country.

Ann McGovern has also written these books in the If You Lived...series: If You Lived in Colonial Times...,If You Grew Up with Abraham Lincoln...,If You Sailed on the Mayflower in 1620...,If You Lived with the Sioux Indians.

Wonderful book

By Passionate about history

This book was very informative and helps the young reader to know what it would have been like to live in

New York City at the turn of the last century. It touched on the rich and the poor, where they lived, where they worked, how they spent their leisure time, what life was like for the children, what they wore, what they ate, etc. It conveyed a lot of information in an easy, entertaining style. The illustrations are lovely. My kids all enjoyed it, from my second grader to my high schoolers, although the intended audience is probably about kindergarten through sixth grade.

A winner!

By Amazon Customer

Easy to read and understand with factual information of the period and wonderful illustrations!

9 of 13 people found the following review helpful.

Too much hate for rich people

By Andy

Before reading to your children, I recommend that you sit down with your children and explain that rich people are not mean like they are portrayed to be in this book. I'm not rich, but I don't despise people that have more money than me, and I recognize the good things they do. It does a lot of comparison of what it was like to be rich and poor in that era, but there is definitely a negative connotation (really more like hate) towards the rich. Since we already purchased it, we simply read it and omitted the more hateful comments. I recommend finding another book.
