this seller has great prices, too good to be true in hindsight

By Peony

Just a warning, this seller has great prices, too good to be true in hindsight. After I placed an order with them, my debit card got hacked and my checking account was cleaned out. Not saying they had anything to do with it but just be warned they are not secure.

The book I bought was suppose to be new with ...

By AJ L.

The book I bought was suppose to be new with a code and when I received the book the code was already scratched off. I'm unable to send back and replace due to the fact that my nursing classes have started and I need something to go by!!!

Nursing Maternity and Pedatric Textbook

By Larrieanne Knowlton

This is a very clear and concise textbook. It is well organized, easy to follow and easy to understand. I would definitely recommend it for Nursing School.
