## About the Author

The best-known of the French Romantic writers, Victor Hugo was a poet, novelist, dramatist, and political critic. Hugo was an avid supporter of French republicanism and advocate for social and political equality, themes that reflect most strongly in his works Les Misérables, Notre-Dame de Paris (The Hunchback of Notre-Dame), and Le Dernier jour d'un condamné (The Last Day of a Condemned Man). Hugo's literary works were successful from the outset, earning him a pension from Louis XVIII and membership in the prestigious Académie française, and influencing the work of literary figures such as Albert Camus, Charles Dickens, and Fyodor Dostoevsky. Elevated to the peerage by King Louis-Philippe, Hugo played an active role in French politics through the 1848 Revolution and into the Second and Third Republics. Hugo died in 1885, revered not only for his influence on French literature, but also for his role in shaping French democracy. He is buried in the Panthéon alongside Alexandre Dumas and Émile Zola.

# LES MISERABLES (ENRICHED CLASSICS) BY VICTOR HUGO PDF

Enriched Classics offer readers accessible editions of great works of literature enhanced by helpful notes and commentary. Each book includes educational tools alongside the text, enabling students and readers alike to gain a deeper and more developed understanding of the writer and their work.

Les Miserables tells the story of ex-convict, Jean Valjean, and his valiant struggle to redeem his past. A potent social document of the poverty, ignorance, and brutality of man, Les Miserables is also a rousing adventure story, famous for such unrivaled scenes as the brilliant depiction of the Battle of Waterloo. Victor Hugo reached the peak of his powers in this far-reaching novel of nineteenth-century France. Here are combined the dramatic skills of Hugo the playwright, the rich imagination of Hugo the poet, and the compassion of Hugo the man.

Enriched Classics enhance your engagement by introducing and explaining the historical and cultural significance of the work, the author's personal history, and what impact this book had on subsequent scholarship. Each book includes discussion questions that help clarify and reinforce major themes and reading recommendations for further research.

Read with confidence.

Good classroom edition

By K. Thompson

I like teaching this novel, but I don't have time to teach the full text. This abridgement does a good job of capturing the fullness of the story and the characters in about 40% of the pages. I like the historical timelines at the beginning and the Notes sections at the end. My students find the novel easy to manage, too.

ABRIDGED - falsely labeled

By lovetheclassics

I am very disappointed that the copy is advertised as "complete and unabridged" - right on the cover! This is definitely NOT complete or unabridged. Les Miserables is a fantastic book, but I would not recommend this publication by "Enriched Classics". Nor will I buy any from this publishing company again. I believe they should label their books honestly and correctly. If you want to read an unabridged version, do not buy this book.

Trashy, Inept, and Deceptive Treatment of a Classic

By Philip Coates

Nowhere in this edition does it say whether the book is abridged or unabridged. Nowhere does it say who the translator is. Wouldn't these be basic facts a customer is entitled to know?

Rather ironic omissions for an "enriched" edition allegedly full of supplementary helpful information.

Even worse, I strongly suspect (from another version of this 'enriched' edition on Amazon) that the translator is Charles Wilbour, a man who seems to always pop up as the translator of many French novels, but a man who should never be allowed near the French language:

As someone who knows French, I counted on just the first half page -eight- different unclear - or just plain wrong - translations. Some of them render a French word into a little known, stilted, or archaic English word.

That's when I said "Ah! This has to be Wilbour" . . . And I tossed the book with great force at the radiator.
