From School Library Journal

Kindergarten-Grade 3-Little Witch is back and she wants to go to school. Frustrated by her continual good behavior, Mother Witch wants her daughter to stay home and learn to be bad from her relatives. When Little Witch promises to be bad if she is allowed to go to school, her mother agrees. Despite her pledge, Little Witch is a good role model for enthusiastic cooperation in the classroom, as she participates in activities, performs her assigned job, and even gives the other children a ride on her broomstick. At the end of the day, she admits that she didn't hold up her end of the bargain. Her mother reminds her, "It's bad to break a promise." Beginning readers will find sufficient picture clues, repetitive language, short sentences, and action to support their reading efforts. They will also get a kick out of the twist of semantics at the end of this lighthearted story, and will enjoy the appealing watercolor-and-pen illustrations that appear throughout.

From the Inside Flap

Little Witch wants to go to school just like her friends, but her mother thinks she should stay home and learn from her witchy aunts. Mother Witch finally agrees to let Little Witch go, but only if she promises to be very, very bad. It's a wild ride on a broomstick that kids won't soon forget! The third book in the popular Little Witch series, "Little Witch Goes to School has all the mixed-up magic and quirky humor kids have come to love in the first two books.

About the Author

Deborah Hautzig was born in New York City and grew up on the Upper West Side. She graduated from the Chapin School and published *Hey, Dollface*, her first novel, in 1978 while still a student at Sarah Lawrence College. Her second novel, *Second Star to the Right*, was a National Book Award finalist in 1982 and is still in paperback. She is the author of dozens of children s books, including nine books about Little Witch, a character she created and which made its debut in 1984; eighteen highly regarded retellings of classic fairy tales and stories; thirty-three Sesame Street books, as well as many other well-known titles. She has also written book reviews for *The New York Times* and contributed to poetry collections. She lives in New York City with her husband and their fourteen-year-old daughter.

Sylvie Kantorovitz was born in Casablanca and grew up in France. She has illustrated several books,

including the Little Witch series. She now lives in Albany, New York.

Fun book

By Krista -F

I bought this book and two other Little Witch books to read to my daughter when she was only around the age of four. The story held her attention from front to back. Once she started to read on her own around the age of five she would ask to read the book with me. At the age of seven she still likes to read this book. Little Witch books make a nice gift also. If parents want to read books to their kids then I would have no problem giving this book to a four or five year old up to an eight year old.

Fun and educational!

By Lorilyn Tenney

The Little Witch series of books were ones that my mom read to my sister & I when we were young. Very few of the toddler books stay with you like these did. When my mom & I started talking about remembering these books, I looked on Amazon & found them for my 4 year old daughter. Now I read them to her & she loves them! She LOVES how Little Witch gets in trouble for things like reading books, cleaning her room & making her bed. She isn't too young to get the irony of it & thinks it's hilarious. We bought them because it's nearing Halloween and she's all into anything scary, but these are great books that can be read all year round.

I remember loving this book as a child, thx for the memories

By A Customer

All the little witch stories are cute and funny and much fun for children. I found this book on Barnes & Noble and experienced many fond memories of past readings in my childhood! Thank you!
