Wish I had this book when I was a teen

By msrbylu

This is a great book for anyone at any age. It is designed for teens who are just getting started on their own life, dreams and desires. The rules of life given in this book apply to all of us. I figured out most of the rules on my own but it would have been helpful to have this when I was younger.

Nice!

By Mary A. Thompson

It seems to benefit the parents as much as the child. Nice!
