Worked like a charm

By Jamie

Not sure what the other reviewer's problem with this book is, but this book worked like a charm for me! The Spanish phrases were short, sweet, and easily taught. After speeding through the book, I immediately set out to try them and got some seriously good results ;) This book delivers exactly what it set out to do: teach you Spanish phrases to meet (and romance) women off their feet.

1\$ i will never get back smfh

By Andy

This "book" is beyond stupid! I lost a dollar i will never get back. Shame on me for that. Hope the next book is gonna worth it
