Simple and to the point.

I have given this book to many people. I have probably purchased 10 copies over the years. Anyone who is depressed or has experienced extreme hardship in life will find this book inspiring and useful. Tony Robbins is a great motivator. In this book Tony shares stories of individuals who have overcome many difficult situations. Tony illustrates how these people have made a success of their lives; sometimes against all odds. The book is short and a very easy read, and can give individuals hope when there seems to be none. I highly recommend it.
