a great book

By Ash.Scott39

A great book to utilize year after year for my physical therapy course, it's essential guidelines helps me progress as a therapist in my everyday life at my job. It helps reminds me about the proper protocols to use for transfers and lifting techniques to prevent work injuries. It also tells you about the proper procedures of ambulation with an assistive device.

Patient Care Tech Skills for National Exam NCCA NATIONAL CERTIFICATION CAREER ASSOCIATION

By JIMMY

Its an old additional but affordable at a very low price the pictures are the ebst part of the book, i would recommend this book to every one since its more of visual knowledge which is easier to grasp while learning new concepts, i used this book for my national certification career association NCCA exam to be a certified patient care technician and was pretty good, i am glad that i came across this book on amazon
