PRAXIS II PHYSICS: CONTENT KNOWLEDGE (5265) EXAM SECRETS STUDY GUIDE: PRAXIS II TEST REVIEW FOR THE PRAXIS II: SUBJECT ASSESSMENTS BY PRA PDF

The book *Praxis II Physics: Content Knowledge (5265) Exam Secrets Study Guide: Praxis II Test Review For The Praxis II: Subject Assessments By Pra* will certainly still give you favorable value if you do it well. Completing the book *Praxis II Physics: Content Knowledge (5265) Exam Secrets Study Guide: Praxis II Test Review For The Praxis II: Subject Assessments By Pra* to review will not end up being the only objective. The objective is by getting the good worth from the book until completion of guide. This is why; you need to learn even more while reading this [Praxis II Physics: Content Knowledge \(5265\) Exam Secrets Study Guide: Praxis II Test Review For The Praxis II: Subject Assessments By Pra](#) This is not only how quick you read a book and not only has the amount of you completed guides; it is about what you have obtained from guides.

Review

A Praxis II Test Study Guide Unlike Any Other

If you'd like to get the Praxis II test score you deserve, to quit worrying about whether your score on the Praxis II test is "good enough," and to beat the test taking game, then this might be the most important message you read this year.

Our comprehensive study guide for the Praxis II Subject Test is written by our Praxis II test experts, who painstakingly researched the topics and the concepts that you need to know to do your best on the Praxis II test. Our original research into the Praxis II: Subject Assessment, offered by the Educational Testing Service (ETS), reveals the specific content areas and the essential skills that are critical for you to know on the Praxis II test. We've taken the information and developed a study guide that is guaranteed to help you be successful on the Praxis II test.

Regardless of which Praxis II test you have to take- you have come to the right place. Here you will find everything you need to know in order to be successful and get your certification.

Now, we know you may be skeptical, so let us give you three good reasons we can back up what we claim:

The Three Reasons To Believe What We Say

The First Reason:

Our company's name is Mometrix Test Preparation, and we have a team of standardized test researchers who have worked on developing our study guide for the Praxis II test. The standards for who gets to work on the team are very strict- we demand the best for our customers, and only those who met our exacting standards made the cut. The dedicated research staff have years of combined experience in mastering the content and

skills necessary to succeed on the toughest exams.

The Second Reason:

Some academic studies have revealed that test takers do not really benefit from the traditional test preparation process. But we knew there had to be a solution- if test takers were not doing well on the Praxis II test despite high intelligence, there had to be a set of secret keys to the test that would open the door of success for these test takers.

We believe we have succeeded in finding the secret keys of the exam. What we found was surprising, and in some cases ridiculously simple once explained to the average test taker.

We put the findings together in a thorough, concise study guide that we believe allows any test taker, at any skill level, to improve his or her results dramatically with a minimum of effort.

The Third Reason:

We created the product in part because we were frustrated by the options available to test takers who really wanted to do well on the Praxis II test.

A common approach is to TEACH the material, instead of TEACHING THE TEST. That's not necessarily good enough for the Praxis II test- you have to know how to apply the knowledge. Most test takers already have a general knowledge of the material that will be covered on the exam.

One reason some test takers do well on the day of the test is that they have made the critical connection between the material they learned and how to use the material to succeed on the Praxis II test.

Our guide addresses the difference between merely knowing the material and knowing how to use the material to perform on test day.

You're going to save time, money, and aggravation. You'll learn to avoid the mistakes and the bad strategies that you've been vulnerable to. --Just for starters, here are some ways our product can help your score on the Praxis II test...

The Exclusive Test Taking Techniques

- Explains how the Praxis II test time limits are the #1 enemy of most test takers, and what you can do about it- You avoid falling into the many "time traps" built into the test, giving you an immeasurable advantage over those who go into the test unaware
- Shows you super speed methods to get through the questions you know with ease- Saving you time so you concentrate on the hardest questions without rushing
- Get quick, customized help for the questions you have- just send us a quick email and we'll get back to you promptly with the answer.
- Keys to questions that "give away" the wrong (or right) answers- You get credit for some of the questions without really even knowing anything about them
- Details the EXACT STUDY PLAN for the Praxis II test that we believe gives the most results in the least time- No matter if you're studying for a week or a month, you won't waste the precious study time you have on useless activities
- Our researchers are more than just academic theoreticians who understand the technical nature of standardized tests, but are also experts on test taking itself- they reveal the exact skills and the information

you'll need to perform under pressure during the test.

- A systematic analysis and the best breakdown into "plain language" of how to deconstruct and master complex problems- You turn the problems that most of the test takers will stumble over to your advantage
- Learn why, when, and how to guess to your advantage. Many test takers use exactly the wrong strategy, but you can avoid the pitfalls with the help of our standardized test experts
- The secret keys that "gives away" the right answer a lot of the time- You know the special "flags" and the specific "giveaways" to look for
- Includes instructions detailing the best way for you to get started with your preparation efforts so you can begin the path of improving your scores immediately
- The most efficient and accurate method for picking the right answer- You won't be scratching your head trying to read the mind of the test question writer, but will instead know exactly what to look for to pick the best answer
- Our quick problem solving method for difficult problems- You speed right through these notorious time-wasters
- Courteous, unlimited customer service is 100% free- if you need the product emailed to a different address, lose the product, or have any other difficulty- the help you need is just a short email away and our representatives are active 7 days a week helping customers
- The research of our team of test experts is 100% independent and original
- Our exclusive "calibration strategy" to help you never go too fast OR too slow when answering even the toughest questions
- The 5-step process we've developed, what we call the "phased" approach, concerning the use of the various study aids and practice tests
- How the problem of procrastination can kill your chance of success, and the most important thing you can do about it
- How to know when you've studied as much as you need to for the exam- and the reason why we think some people should spend LESS time studying for the test
- The Top 20 things you should take care of within 24 hours of taking the test- use the list we provide as a checklist to make sure you've taken care of the "little things" in addition to studying hard
- How to predict the right answer before you see the answer choices- and how to prevent the wrong answers from "polluting" your mind and tempting you into a trap designed by the test writers --
- Why answers that "sound" correct are often the very ones that are wrong- and how to tell the difference between the right answer and the many clever-sounding traps set for you by the test writers

- Do you know what a "hedge phrase" is? Learn why looking for the key "weasel words" in the question can help identify the correct answer
- Why "new information" in the answer choices almost always means that the answer choice is wrong- and the way to avoid this trick planted by the clever test writers
- Learn to avoid this time-draining mistake on the test - why the technical terms you don't know can be a major stumbling block and waste precious time, and the way that you can work around them
- The secret to using the contextual clues in the questions and the answer choices to make important distinctions between the right and the wrong answer choices
- The two situations where you should NOT check your answers thoroughly
- How to avoid careless mistakes by using the quick "double check" system. It will more than pay for itself relative to the time it will take you
- Test writers will often quote directly from the question in an answer- learn whether this is something you should trust or avoid
- Why "extreme statements" in the answer choices are dead giveaways for wrong answers- find out how to detect the subtle differences between reasonable answers and the answers that are almost always wrong
- Learn how to group your answer choices into "families" that often narrows down the pool of correct

answers- this is a quick way to immediately eliminate one or two of the answer choices and increase your odds of getting the question right

Now, you're probably wondering how and why we can do all the things we claim.

Let us explain.

Before we go any further, let us clarify what Praxis II Exam Secrets is not. It is not a stale rehash of all of the things you have already learned in the past.

Praxis II Exam Secrets is our exclusive collection of the tips and the information that we have specially selected to give you the best results on the Praxis II test for the least time spent studying. It's written in everyday language and is easy to use.

We cover the 5 essential skills necessary to do well on the Praxis II test, plus a comprehensive review covering your specific Praxis II test.

Don't take our word for it. Listen to what our customers say about other Mometrix test preparation products.

I purchased the Secrets file, and I just wanted to let you know that I got a 99% on my test. I just want to thank you again, and hope you have continued success in your ventures. Sincerely, Paul L.

My name is Chris. I used the Secrets study guide for five days. The study guide made the test so easy to understand. Like you said this program is worth 100's of dollars. To me 1,000's!! THANKS, Chris G.

I just had to thank you guys for the test prep! I bought the guide as a last minute prep, I mean maybe 5 hours before the test. Like I said, I had ZERO preparation! I was nervous about the test let alone receiving the score I needed. I read the guide through only once before test time and needless to say, the only way I passed was thanks to your refresher!! Brian

Just dropping you a note to let you know that I am completely satisfied with the product. I had already taken the test once and landed in the 75 percentile of those taking it with me. I took the test a second time and used some of your tips and raised my score to the 97 percentile. Thanks for my much improved score. Denise W.

I heard about your website from a friend. I am enrolled in a review course, and in hindsight, I wish I wouldn't have taken my review course and instead spent a fraction of the money on your program. Thank you! Zac L.

You get at least 10 times your money's worth! --When you consider what's at stake with the exam, we believe the value of our study guide gives you at least ten times your money's worth.

Praxis II Physics: Content Knowledge (5265) Exam Secrets Study Guide: Praxis II Test Review For The Praxis II: Subject Assessments By Pra. The developed technology, nowadays assist every little thing the human demands. It consists of the daily activities, jobs, workplace, amusement, and also more. One of them is the fantastic web connection and also computer system. This condition will ease you to sustain one of your hobbies, reviewing habit. So, do you have prepared to review this e-book *Praxis II Physics: Content Knowledge (5265) Exam Secrets Study Guide: Praxis II Test Review For The Praxis II: Subject Assessments By Pra* now?

When visiting take the experience or ideas forms others, publication *Praxis II Physics: Content Knowledge (5265) Exam Secrets Study Guide: Praxis II Test Review For The Praxis II: Subject Assessments By Pra* can be an excellent source. It's true. You can read this *Praxis II Physics: Content Knowledge (5265) Exam Secrets Study Guide: Praxis II Test Review For The Praxis II: Subject Assessments By Pra* as the resource that can be downloaded and install right here. The method to download is likewise very easy. You could check out the link web page that we provide and after that buy guide to make an offer. Download *Praxis II Physics: Content Knowledge (5265) Exam Secrets Study Guide: Praxis II Test Review For The Praxis II: Subject Assessments By Pra* as well as you can put aside in your personal gadget.

Downloading and install guide *Praxis II Physics: Content Knowledge (5265) Exam Secrets Study Guide: Praxis II Test Review For The Praxis II: Subject Assessments By Pra* in this web site listings can provide you a lot more advantages. It will show you the most effective book collections and completed compilations. Numerous books can be located in this site. So, this is not only this *Praxis II Physics: Content Knowledge (5265) Exam Secrets Study Guide: Praxis II Test Review For The Praxis II: Subject Assessments By Pra* However, this publication is referred to review since it is a motivating publication to offer you more possibility to obtain encounters and ideas. This is simple, review the soft file of guide [Praxis II Physics: Content Knowledge \(5265\) Exam Secrets Study Guide: Praxis II Test Review For The Praxis II: Subject Assessments By Pra](#) and you get it.

PRAXIS II PHYSICS: CONTENT KNOWLEDGE (5265) EXAM SECRETS STUDY GUIDE: PRAXIS II TEST REVIEW FOR THE PRAXIS II: SUBJECT ASSESSMENTS BY PRA PDF

Kindle Textbook Edition for Kindle Fire, iPad, iPhone, iPod, Android Tablet, Android Phone, PC, and Mac.

Includes Practice Test Questions

Get the test prep help you need to get the results you deserve.

The Praxis II Physics: Content Knowledge (0265) Exam is extremely challenging and thorough test preparation is essential for success. Praxis II Physics: Content Knowledge (0265 and 5265) Exam Secrets Study Guide is the ideal prep solution for anyone who wants to pass the Praxis II Physics: Content Knowledge Exam.

Not only does it provide a comprehensive guide to the Praxis II Physics: Content Knowledge Exam as a whole, it also provides practice test questions as well as detailed explanations of each answer.

Praxis II Physics: Content Knowledge (0265) Exam Secrets Study Guide includes:

- A thorough overview of the Praxis II: Physics - Content Knowledge Exam
- A breakdown of mechanics
- An analysis of electricity and magnetism
- A guide to optics and waves
- An examination of heat and thermodynamics
- An in-depth review of modern physics, atomic, and nuclear structure
- A breakdown of the history and nature of science, science technology, and social perspectives
- Comprehensive practice questions with detailed answer explanations

It's filled with the critical information you'll need in order to do well on the test: the concepts, procedures, principles, and vocabulary that the Educational Testing Service (ETS) expects you to have mastered before sitting for the exam.

The Mechanics section includes:

- Vectors
- Velocity
- Newton's Laws
- Static and kinetic frictional forces
- Using equilibrium conditions
- Fluids

The Electricity and Magnetism section includes:

- Electric field equation
- Electric potential
- Conductors, insulators, and semiconductors
- Energy and power
- Magnetic field
- Transformers, generators, and electric motors

The Optics and Waves section includes:

- Velocity, amplitude, wavelength, and frequency
- Reflection, transmission, and absorption
- Transverse and longitudinal waves
- Resonance and natural frequency
- Electromagnetic spectrum
- Simple magnifier, the microscope, and the telescope

The Heat and Thermodynamics section includes:

- Temperature scales
- Latent heat and specific heat
- Thermal expansion
- Convection and Conduction
- Laws of Thermodynamics
- Conversion of energy

The Modern Physics, Atomic, and Nuclear Structure section includes:

- Rutherford scattering
- Subatomic particles
- Atomic number
- Radioactive decay and half-life
- The basic organization of matter
- Mixture, colloid, solution, and concentration

The History and Nature of Science; Science Technology, and Social Perspectives section includes:

- Scientific process
- Scientific knowledge
- Data collection and analysis
- Basic safety procedures
- Effects of improvements in scientific and technological knowledge
- Social impacts of science and technology
- Recent applications of science and technology

These sections are full of specific and detailed information that will be key to passing the Praxis II Physics: Content Knowledge Exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry abo

A Praxis II Test Study Guide Unlike Any Other

If you'd like to get the Praxis II test score you deserve, to quit worrying about whether your score on the Praxis II test is "good enough," and to beat the test taking game, then this might be the most important message you read this year.

Our comprehensive study guide for the Praxis II Subject Test is written by our Praxis II test experts, who painstakingly researched the topics and the concepts that you need to know to do your best on the Praxis II test. Our original research into the Praxis II: Subject Assessment, offered by the Educational Testing Service (ETS), reveals the specific content areas and the essential skills that are critical for you to know on the Praxis II test. We've taken the information and developed a study guide that is guaranteed to help you be successful on the Praxis II test.

Regardless of which Praxis II test you have to take- you have come to the right place. Here you will find everything you need to know in order to be successful and get your certification.

Now, we know you may be skeptical, so let us give you three good reasons we can back up what we claim:

The Three Reasons To Believe What We Say

The First Reason:

Our company's name is Mometrix Test Preparation, and we have a team of standardized test researchers who have worked on developing our study guide for the Praxis II test. The standards for who gets to work on the team are very strict- we demand the best for our customers, and only those who met our exacting standards made the cut. The dedicated research staff have years of combined experience in mastering the content and skills necessary to succeed on the toughest exams.

The Second Reason:

Some academic studies have revealed that test takers do not really benefit from the traditional test preparation process. But we knew there had to be a solution- if test takers were not doing well on the Praxis II test despite high intelligence, there had to be a set of secret keys to the test that would open the door of success for these test takers.

We believe we have succeeded in finding the secret keys of the exam. What we found was surprising, and in some cases ridiculously simple once explained to the average test taker.

We put the findings together in a thorough, concise study guide that we believe allows any test taker, at any skill level, to improve his or her results dramatically with a minimum of effort.

The Third Reason:

We created the product in part because we were frustrated by the options available to test takers who really wanted to do well on the Praxis II test.

A common approach is to TEACH the material, instead of TEACHING THE TEST. That's not necessarily good enough for the Praxis II test- you have to know how to apply the knowledge. Most test takers already

have a general knowledge of the material that will be covered on the exam.

One reason some test takers do well on the day of the test is that they have made the critical connection between the material they learned and how to use the material to succeed on the Praxis II test.

Our guide addresses the difference between merely knowing the material and knowing how to use the material to perform on test day.

You're going to save time, money, and aggravation. You'll learn to avoid the mistakes and the bad strategies that you've been vulnerable to. --Just for starters, here are some ways our product can help your score on the Praxis II test...

The Exclusive Test Taking Techniques

A Great Practice Review

By Randy Lea

This book is really great for a cram session. I studied it a few days before the test and felt confident enough to take the exam. It comes with 136 questions with its practice exam, which is more than the actual test. There were two sections in the book that really helped me to better understand a few points that I was getting stuck on. The first was on heat and thermodynamics, and the second was on modern physics, atomic and nuclear structure. After studying with this guide, I now have a much clearer mind because I know the material and I have taken advantage of the different studying techniques that were explained in the guide. I can now, finally, walk into a test with confidence rather than absolute fear. I felt very prepared after studying with this guide, and I would recommend buying it.

12 of 13 people found the following review helpful.

Study guide for physics covers it all

By Jacque

Physics is a large subject and when it comes time to take a test that covers it all, it is hard to know where to start on the studying process. This study guide is a great tool because it really seems to cover it all. It has everything from mechanics and electricity to modern physics like nuclear structures and thermodynamics. It even goes over the general history of science as well as technology. Once you realize how much the guide covers, you may feel like you don't need any other study guides or tools at all. And after you go through the guide a few times, you can reassure yourself by taking some of the practice tests it provides. It is fun to take the test and then correct it with the answer key and see how you do. That can really do a lot for your confidence if you are unsure where this subject is concerned. You will feel better if you do well and if you don't, don't worry too much, just make sure you allow yourself more time to study so you can improve in the areas you're struggling with. As far as physics study guides go, this one really is the best. It goes over everything you need to know and might even teach you some concepts you missed when in class or when reading through your books.

Helped me pass on the first try!

By Marisol

This is just a quick review to strongly recommend this Praxis II Test Prep material!! I passed on the first try

and w/ only five hours of study time. Thanks to the study guide, I was able to prioritize and focus on needed areas. I couldn't have done it without this book.

A Praxis II Test Study Guide Unlike Any Other

If you'd like to get the Praxis II test score you deserve, to quit worrying about whether your score on the Praxis II test is "good enough," and to beat the test taking game, then this might be the most important message you read this year.

Our comprehensive study guide for the Praxis II Subject Test is written by our Praxis II test experts, who painstakingly researched the topics and the concepts that you need to know to do your best on the Praxis II test. Our original research into the Praxis II: Subject Assessment, offered by the Educational Testing Service (ETS), reveals the specific content areas and the essential skills that are critical for you to know on the Praxis II test. We've taken the information and developed a study guide that is guaranteed to help you be successful on the Praxis II test.

Regardless of which Praxis II test you have to take- you have come to the right place. Here you will find everything you need to know in order to be successful and get your certification.

Now, we know you may be skeptical, so let us give you three good reasons we can back up what we claim:

The Three Reasons To Believe What We Say

The First Reason:

Our company's name is Mometrix Test Preparation, and we have a team of standardized test researchers who have worked on developing our study guide for the Praxis II test. The standards for who gets to work on the team are very strict- we demand the best for our customers, and only those who met our exacting standards made the cut. The dedicated research staff have years of combined experience in mastering the content and skills necessary to succeed on the toughest exams.

The Second Reason:

Some academic studies have revealed that test takers do not really benefit from the traditional test preparation process. But we knew there had to be a solution- if test takers were not doing well on the Praxis II test despite high intelligence, there had to be a set of secret keys to the test that would open the door of success for these test takers.

We believe we have succeeded in finding the secret keys of the exam. What we found was surprising, and in some cases ridiculously simple once explained to the average test taker.

We put the findings together in a thorough, concise study guide that we believe allows any test taker, at any skill level, to improve his or her results dramatically with a minimum of effort.

The Third Reason:

We created the product in part because we were frustrated by the options available to test takers who really wanted to do well on the Praxis II test.

A common approach is to TEACH the material, instead of TEACHING THE TEST. That's not necessarily good enough for the Praxis II test- you have to know how to apply the knowledge. Most test takers already have a general knowledge of the material that will be covered on the exam.

One reason some test takers do well on the day of the test is that they have made the critical connection between the material they learned and how to use the material to succeed on the Praxis II test.

Our guide addresses the difference between merely knowing the material and knowing how to use the material to perform on test day.

You're going to save time, money, and aggravation. You'll learn to avoid the mistakes and the bad strategies that you've been vulnerable to. --Just for starters, here are some ways our product can help your score on the Praxis II test...

The Exclusive Test Taking Techniques

- Explains how the Praxis II test time limits are the #1 enemy of most test takers, and what you can do about it- You avoid falling into the many "time traps" built into the test, giving you an immeasurable advantage over those who go into the test unaware
- Shows you super speed methods to get through the questions you know with ease- Saving you time so you concentrate on the hardest questions without rushing
- Get quick, customized help for the questions you have- just send us a quick email and we'll get back to you promptly with the answer.
- Keys to questions that "give away" the wrong (or right) answers- You get credit for some of the questions without really even knowing anything about them
- Details the EXACT STUDY PLAN for the Praxis II test that we believe gives the most results in the least time- No matter if you're studying for a week or a month, you won't waste the precious study time you have on useless activities
- Our researchers are more than just academic theoreticians who understand the technical nature of standardized tests, but are also experts on test taking itself- they reveal the exact skills and the information you'll need to perform under pressure during the test.
- A systematic analysis and the best breakdown into "plain language" of how to deconstruct and master

complex problems- You turn the problems that most of the test takers will stumble over to your advantage

- Learn why, when, and how to guess to your advantage. Many test takers use exactly the wrong strategy, but you can avoid the pitfalls with the help of our standardized test experts
- The secret keys that "gives away" the right answer a lot of the time- You know the special "flags" and the specific "giveaways" to look for
- Includes instructions detailing the best way for you to get started with your preparation efforts so you can begin the path of improving your scores immediately
- The most efficient and accurate method for picking the right answer- You won't be scratching your head trying to read the mind of the test question writer, but will instead know exactly what to look for to pick the best answer
- Our quick problem solving method for difficult problems- You speed right through these notorious time-wasters
- Courteous, unlimited customer service is 100% free- if you need the product emailed to a different address, lose the product, or have any other difficulty- the help you need is just a short email away and our representatives are active 7 days a week helping customers
- The research of our team of test experts is 100% independent and original
- Our exclusive "calibration strategy" to help you never go too fast OR too slow when answering even the toughest questions
- The 5-step process we've developed, what we call the "phased" approach, concerning the use of the various study aids and practice tests
- How the problem of procrastination can kill your chance of success, and the most important thing you can do about it
- How to know when you've studied as much as you need to for the exam- and the reason why we think some people should spend LESS time studying for the test
- The Top 20 things you should take care of within 24 hours of taking the test- use the list we provide as a checklist to make sure you've taken care of the "little things" in addition to studying hard
- How to predict the right answer before you see the answer choices- and how to prevent the wrong answers from "polluting" your mind and tempting you into a trap designed by the test writers --
- Why answers that "sound" correct are often the very ones that are wrong- and how to tell the difference between the right answer and the many clever-sounding traps set for you by the test writers

- Do you know what a "hedge phrase" is? Learn why looking for the key "weasel words" in the question can help identify the correct answer
- Why "new information" in the answer choices almost always means that the answer choice is wrong- and the way to avoid this trick planted by the clever test writers
- Learn to avoid this time-draining mistake on the test - why the technical terms you don't know can be a major stumbling block and waste precious time, and the way that you can work around them
- The secret to using the contextual clues in the questions and the answer choices to make important distinctions between the right and the wrong answer choices
- The two situations where you should NOT check your answers thoroughly
- How to avoid careless mistakes by using the quick "double check" system. It will more than pay for itself relative to the time it will take you
- Test writers will often quote directly from the question in an answer- learn whether this is something you should trust or avoid
- Why "extreme statements" in the answer choices are dead giveaways for wrong answers- find out how to detect the subtle differences between reasonable answers and the answers that are almost always wrong
- Learn how to group your answer choices into "families" that often narrows down the pool of correct answers- this is a quick way to immediately eliminate one or two of the answer choices and increase your odds of getting the question right

Now, you're probably wondering how and why we can do all the things we claim.

Let us explain.

Before we go any further, let us clarify what Praxis II Exam Secrets is not. It is not a stale rehash of all of the things you have already learned in the past.

Praxis II Exam Secrets is our exclusive collection of the tips and the information that we have specially selected to give you the best results on the Praxis II test for the least time spent studying. It's written in everyday language and is easy to use.

We cover the 5 essential skills necessary to do well on the Praxis II test, plus a comprehensive review covering your specific Praxis II test.

Don't take our word for it. Listen to what our customers say about other Mometrix test preparation products.

I purchased the Secrets file, and I just wanted to let you know that I got a 99% on my test. I just want to thank you again, and hope you have continued success in your ventures. Sincerely, Paul L.

My name is Chris. I used the Secrets study guide for five days. The study guide made the test so easy to understand. Like you said this program is worth 100's of dollars. To me 1,000's!! THANKS, Chris G.

I just had to thank you guys for the test prep! I bought the guide as a last minute prep, I mean maybe 5 hours before the test. Like I said, I had ZERO preparation! I was nervous about the test let alone receiving the score I needed. I read the guide through only once before test time and needless to say, the only way I passed was thanks to your refresher!! Brian

Just dropping you a note to let you know that I am completely satisfied with the product. I had already taken the test once and landed in the 75 percentile of those taking it with me. I took the test a second time and used some of your tips and raised my score to the 97 percentile. Thanks for my much improved score. Denise W.

I heard about your website from a friend. I am enrolled in a review course, and in hindsight, I wish I wouldn't have taken my review course and instead spent a fraction of the money on your program. Thank you! Zac L.

You get at least 10 times your money's worth! --When you consider what's at stake with the exam, we believe the value of our study guide gives you at least ten times your money's worth.

The book Praxis II Physics: Content Knowledge (5265) Exam Secrets Study Guide: Praxis II Test Review For The Praxis II: Subject Assessments By Pra will certainly still give you favorable value if you do it well.
