SEX IN A COFFIN, A KISMET KNIGHT, VAMPIRE PSYCHOLOGIST TALE BY LYNDA HILBURN PDF

Vampire Humor

Sex in a Coffin is a short story which takes place immediately after the events of THE VAMPIRE SHRINK, book #1 in the Kismet Knight, Vampire Psychologist series.

Ever since Denver Psychologist Kismet Knight discovered the frightening world of the vampires, she's been struggling to hold onto her sanity - with varying degrees of success. Join Kismet and 800-year-old Master Vampire Devereux as they share a typical night on the other side of the Looking Glass. Can a brainy scientist and an ancient bloodsucker really be an item? Friends with benefits? More?

This novella is a great addition to the Kismet & Devereux Series

By Sandra Richardson

INITIAL THOUGHTS

I think its fair to say I approached this novella with fairly high expectations after having read some of Lynda's other novellas and book one and two in the series too. Having loved all so far I did expect a certain level of romance with some humour thrown in too.

MY REVIEW

I purchased and downloaded an e-copy of this one from Amazon.co.uk.

So the book begins with Kismet and Devereux up close and personal in a rather deluxe sounding coffin. Apparently Kismet had wondered what it was like to be inside a coffin and of course Devereux instantly

indulges her curiosity.

Devereux is in his own style romancing and courting Kismet. He desperately wants her to trust him and is hinting he will tell her much more about himself very soon. Devereux has also been tied up with work a lot recently so had decided to whisk Kismet away with him to spend some quality time together and is keeping the destination a "surprise".

Two of Devereux's "off spring" want to meet Kismet, they are old, old vampires with a kind of slapstick comedy thing going on with each other. though they do take things a little too far and end up seriously scaring Kismet much to Devereux annoyance.

So after the "misunderstanding" Kismet & Devereux do spend some quality time together and Kismet feels like she can trust the ancient Vampire but still has her doubts as to whether their strange relationship will stand the test of time and grow stronger, or will Vampire politics, and drama's come between them. Is Kismet getting too involved in all thing Vampire? Having a relationship with one, working with them, and socialising with them too.

So did I enjoy the novella? Yes, I was ready for a little more Kismet & Devereux!

Would I recommend the novella? Yes, though you don't have to read them for the books to make sense they are a great addition to the series. The novellas help pass the wait for the next book!

Would I read more books and or novellas of Kismet & Devereux? Yes please! I certainly intend to.

Would I read other books by Lynda Hilburn? I would certainly give other books by Lynda a read though I'm not sure if I could love other characters as much as I do Kismet & Devereux!

Smexy, scary fun

By J. Walden-West

This is a novella set after Until Death Do Us Part. It gives an interesting look into Kismet and Devereux's evolving relationship. The psychological issues arising from her kidnapping are still with Kismet, but at Devereux's request, she moves deeper into the vampire world. After a practical joke by some of his "children" (kind of reminiscent of kids trying to scare off Daddy's date because they don't want a step-mom) she's left weighing how far she wants to go with vampires, both with her research and her relationship.

Devereux uses his unique charms to convince Kismet he can be trusted, leading to a great setup for Blood Therapy.

I love how Kismet has grown and how she doesn't hesitate to put the vamp in his place when he needs it. I'm looking forward to Crimson Psyche's release in 2015 to catch up with the pair.

Very Enjoyable!

By lisa

I really like these characters and their world. So I want to read all I can get - Yes this is a short story but its very enjoyable, steamy and gives you more of an insight into the madness that Kismet Knight is dealing with trying to manage a relationship with a Master Vampire. If you are like me and are waiting for the third book to be released in the US (which sadly will be sometime 2015) this story is a little extra taste till then
