The second collection in comics in a really great line. Spyboy is just incredibly easy to fall in love with and has something for everyone to enjoy. The art is fantastic, the plot is pretty damn good and there's a fair amount and humor and adult humor to make it a really great read over and over.

This volume contains Spyboy's adventures against Judge and Jury and you find out a bit about Alex Fleming, Spyboy's alter ego and Bombshell, not to mention thier semi sidekick Bruce.

It's a hilarious read and the characters are loveable. Buy it and love it.
