I'm not sure how the other people were having trouble ...

By Jon P.

I'm not sure how the other people were having trouble...

I purchased and linked up the product to my Cengage account. I had access to the solutions within a minute. The solutions come in the form of a zip which contains all the solutions in Excel. This is convenient because it allows you to store the solutions offline and you don't have to use the Cengage website to access once you've saved.

Can not access this online manual

By Robert F. Brammer

Despite repeated attempts to access this manual, I have had no success, Cengage does not respond at all. Please send refund.
