great little commentary

By Frederick G. Brown

As a layman, I have profited greatly over the years by using commentaries for my daily quiet time. This one certainly didn't disappoint. It is an easy read, with very little technical jargon, and it brings good order to an epistle which can be difficult to outline. F. F. Bruce is a fine evangelical Bible scholar, and I was certainly blessed by using this commentary.

I Could Not Have Been More Satisfied

By Gene Davenport

The reason for this rating lies within my head line. The work is well written and fits my need perfectly. I am teaching the bible study in my retirement center. This book is one source that I am using to refresh my memory plus adding to what I can recall.
