THE JOHN COREY COLLECTION: PLUM ISLAND, THE LION'S GAME, AND NIGHT FALL OMNIBUS BY NELSON DEMILLE PDF

A digital-only omnibus of three Nelson DeMille novels featuring John Corey, a brilliant NYPD detective who becomes an FBI terrorist hunter.

PLUM ISLAND

Wounded NYPD homicide detective John Corey is convalescing in rural eastern Long Island when a young couple is killed. The victims were researchers at a site rumored to be a biological warfare center. Suddenly, a local double murder takes on shattering global implications-and thrusts Corey into a dangerous search for the secret of Plum Island.

THE LION'S GAME

At New York's JFK Airport, an American task force waits for a Libyan terrorist defector. When something goes horribly wrong, federal agent John Corey follows a trail of blood for his quarry: a foe with the cunning of a lion and the bloodlust of a man. To win a desperate game with no rules, Corey must invent a strategy that leaves no room for mistakes.

NIGHT FALL

On a beach, a couple with a video camera record their love-making-and the explosion of TWA Flight 800. Now on the fifth anniversary of a blast that was blamed on mechanical failure, agent John Corey and his partner reopen the case. They will hunt for the crucial video-and race toward an elusive truth even more horrifying than the crash itself.

Great story

By Jason

Great story, great ending. Taking a moment in history and turning it into a novel that serves to ask the unanswered questions revolving around flight 800 was fantastic and enjoyable. Love the writing of Nelson DeMille and look forward to each of his books.

Took a while to find Nelson

By Heavy J Reader

It took a while for me to find Nelson DeMille.... not sure why I had not read his work previously. I started with the John Corey Collection and was hooked by the second chapter of Plum Island. DeMille writes with enthusiasm, a knowledge of his subject(s), is suspensful, has a super sense of irony and general humor. I never lost interest nor did I ever feel let down as I proceeded to The Lion's Game and then to Night Fall. I'm truly hooked on his writing. Great can't-put-it-down stuff.

night fall

Dear Nelson , WOW, what a book. You really put all together when you wrote this one. I have been a reader of James Pattersons books. You have converted my to your camp. I didn't want Night Fall to come to an end. I will look forward to Plum Island next. I was hoping that John would have gotten better acquainted with Jill Winslow and Roxanne. Maybe you could do a continuation. You are a fantastic writer.

All the best, Paul Escher
