A New Kid's Book.

By M.A. Brotherton

I've read a lot of kids books over the years. My nieces and nephew have forced me into more than my share. The lonely snowflake is right there with the best of them. I'm going to see about sending a copy to my sister for my nieces.

Very fun.

That's the simple but very important lesson that this book is teaching to our kids, through a nice story and very cute illustrations.
