My Absolute Favorite Christmas Arrangements

By JBebe

As a classically-trained pianist I sometimes find new-age music a bit cheesy and not of the best quality of writing. Liz Story's music is definitely not either of those. Her style is a mix of new age improvisation and jazz. It is incredibly well-written, classy, and gorgeous. She has some new and original takes on the old classics.

These arrangements are some of my absolute favorites to play during the holidays. Some personal favorites in this collection include the beautiful, introspective "Angels We Have Heard On High" with its thick chords and harmonies, the medleys "Bring A Torch/When Blossoms Flowerd Mid the Snow" and "O Come Little Children/We'll Dress the House," and my absolute favorite "Have Yourself A Merry Little Christmas" - this rendition is gorgeous with its jazzy harmonies.

I would recommend this book to any pianist. Also, for non-Christmas compositions of Story's, try Liz Story - Volume 1 - Piano (New Age Series).
