Before there was the notion of Random Acts of Kindness...

By Mermaid Di

I first bought a copy of this little book at a church thrift shop several years ago. It is one of my favourite books.

This little book has wonderful ideas for making your life happier. The author discovers and shares many simple ways to add joy to your life. He suggests how to give joy to others, by simple acts of kindness. He shares many personal stories.

in addition, the pleasure of "giving yourself away," is to do it without expecting thanks or some material reward.

This particular version of this book has the advantage of having a mini-biography of the author. David Dunn is his pen name.

This book will inspire you and make you smile, and make you realize how simple it is to "Give Yourself Away."

If you like "New Thought" authors, you will like this book.
