Empowering

By Taylor Lou

understandable that the title of this book comes off as corny, but it really emphasizes the great aspects of being a human being. certain actions that we may take for granted, she makes us thankful and aware of them. a very soothing and empowering book. every page gives me the feeling of watching a really good movie. the type of movie that instantly makes you want to change your actions, beliefs, or even your life. gets my utmost recommendation.

Love this book

By B.Keith

This book is full of "wisdom words", and then small poems about the word. It's so good- highly recommend. I do our church newsletter, and always include a "wisdom word" from this book. All of my friends want one, and I've given several as gifts. You won't regret purchasing this book.
